2025 SPRING LAUNCH

A modern bathroom vanity featuring two illuminated arched mirrors suspended by black cords. The vanity has a dark countertop with two black vessel sinks and a light-colored cabinet with horizontal light strips. The background is a wall of large, dark, textured tiles.

Made for Every Moment

At Robern, our products are created through the lens of functional beauty, thoughtful technology, and American craftsmanship.

For our Spring Launch, we're introducing the Sculpt Hanging Lighted Mirror, a suspended and illuminated mirror, built to add sculptural forms with functional lighting to unique installations.

Working to transform everyday living spaces into modern sanctuaries, the Sculpt Hanging Lighted Mirror elevates the delicate balance of form and function, bringing quiet elegance into the design details of your home.

Sculpt Hanging Lighted Mirror

ABOUT:

The Sculpt Hanging Lighted Mirror encapsulates elevated living through its architectural forms, finishes, and full illumination task lighting. By reimagining getting ready areas as spaces that can soothe, enhance, and inspire wellbeing, Sculpt brings a transformative addition to any corner of your home through its unique suspension and radiant light.

FEATURES:

1. Perimeter Light Pattern

Warm white light at 3000K creates a natural, soothing ambiance.

2. Dimmable Options:

Compatible with off-mirror dimmers (sold separately) for adjustable brightness.

3. Versatile Installation

Includes extension rods to accommodate up to 11-foot ceilings. Lofted ceiling adapter included for ceiling surfaces ranging from 45 to 90 degrees.

4. Enhanced Visibility:

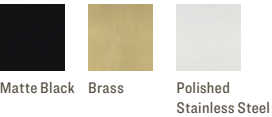

See your face clearly for precise, up-close grooming and makeup application.

5. Exceptional Craftsmanship

Hand-polished, durable stainless steel, available in Arch or Pill forms for bold, elegant designs.

6. Creative Design Solution

Ceiling-mount installation for hanging, illuminated mirror, enabling unique applications for in front of a window, or above an island.
