- Decorative light design: Subtle fluted detailing perfectly complements a more traditional aesthetic
- Dimmable LED lighting provides ideal brightness for any task
- Tenor Dimmable provides warm, relaxing tones (3000K) that replicate indoor lighting; Tenor Tunable lets you fine-tune your color temperature between warm white (2700K) and bright white (5600K) with the use of the SWAY Control (required)
- Designed for easy, modular installation with M Series Reserve, M Series, PL PORTRAY, PL Series and Profiles cabinets
- Tested/certified to California Title 24 standards (meets JA8 2016 requirements)
- Tenor Tunable requires SWAY Control (sold separately) and a Decora-style wall plate
- Recessed or surface-mount installation in combination with a medicine cabinet (side kits sold separately)
