

A modern bathroom vanity featuring two white rectangular sinks on a light-colored marble countertop. The vanity is illuminated by integrated LED lighting along the top and bottom edges. A large mirror above the sinks reflects the room, showing a decorative white grid pattern on the wall and two recessed ceiling lights. The brand name 'robern' is displayed in the upper center of the image.

**DESIGNED  
TO FEEL  
BEAUTIFUL**

At Robern, beauty isn't just seen, it's felt. That's why every single product we make puts you at the heart of its design, creating cabinets, vanities, mirrors, lighting, and bathroom accessories that not only look beautiful, but translate into beautiful experiences.

## WHY ROBERN

### PERSONAL EXPRESSION

A belief in the power of customizable design and individuality, understanding that true luxury comes from the autonomy of creation, listening to our customer's vision with a level of care and attention to detail impossible to ignore.

### THOUGHTFUL TECHNOLOGY

Harnessing the impact of intelligent innovation that seamlessly connects with purpose and meaning; elevating everyday rituals by solving simple problems that soothe, enhance and inspire our life and wellbeing.

### AMERICAN CRAFTSMANSHIP

Handcrafted in Philadelphia since 1968, this is a brand inspired by the makers; continuing our founder's mission to reimagine the luxury bathroom by turning clinical functionality into highly crafted sanctuaries of personal escape.

# OUR PROCESS

With a full line of products designed to fit any project--equipped with the ability to customize to your specifications--we're here to help you create bespoke solutions for residential and commercial projects alike.

Our dedicated custom design team is here to help bring your vision to life, using collective expertise across storage, lighting, and reflective surfaces.

Learn more about how our team can support your project from concept to installation at [custom@robern.com](mailto:custom@robern.com).

## INSPIRATION

The process begins with your creativity and concept. Our team will meet with you to make recommendations based on project size, budget, and timeline.

## DEVELOPMENT

Our engineering team will work to create renderings, order samples, and build prototypes to ensure our design reflects your vision.

## PRODUCTION

As our custom crafters bring your design to life, Robern will provide engineering and quality control for your order, along with any required certifications.

## DELIVERY

A dedicated team member will see your order through completion, guaranteeing each shipment safely arrives where it's needed, when it's needed.

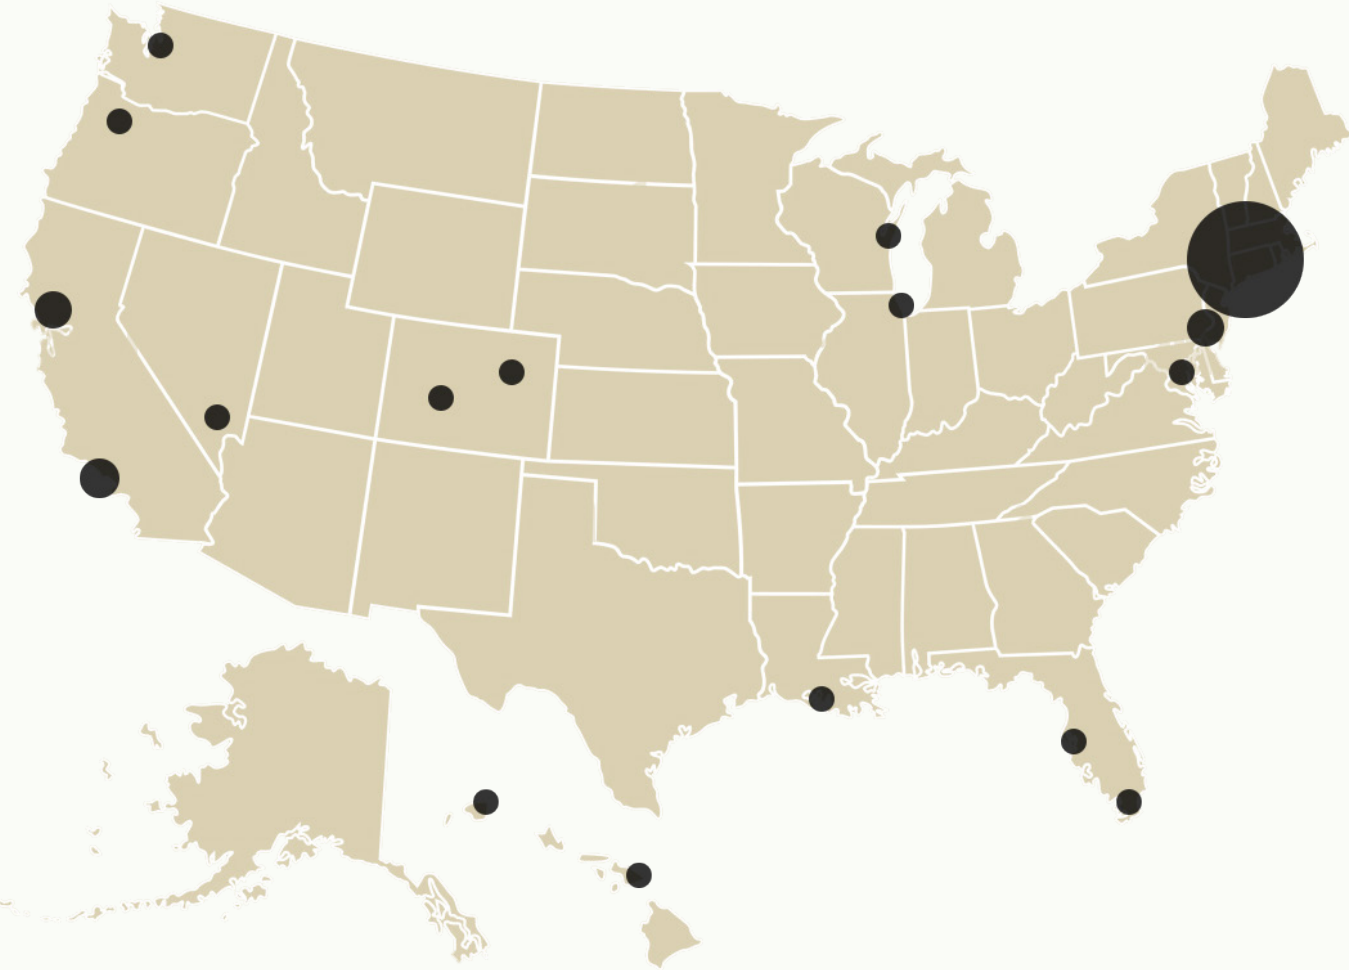

## SUPPORT

Our team will be available to support you throughout the process—from end-to-end—providing you with the peace of mind needed to focus on your project.

## LIGHTED MIRRORS

With a full range of energy-efficient and space-saving lighted mirrors, choose from collections equipped with task lighting and soft glow settings, dimming to full range color tunability, countless standard sizes and light patterns, and frames that perfectly match your plumbing for design continuity.

# LIGHTED MIRRORS

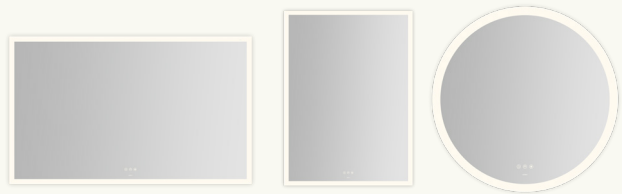

## FLAWLESS FUNCTIONALITY

Every lighted mirror is crafted with built-in diffusers, fully encased LEDs and electrical components, for effortless installation.

When choosing products outfitted with Robern’s dimming and color tuning technology, you can optimize brightness and color temperature to align with daily routines and circadian rhythms.

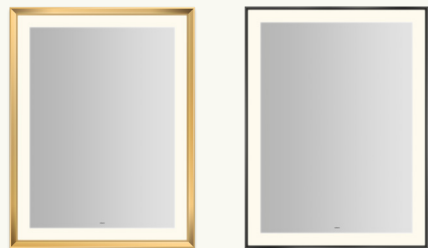

## INSTINCT

Fine-tuning light settings with on-mirror controls.

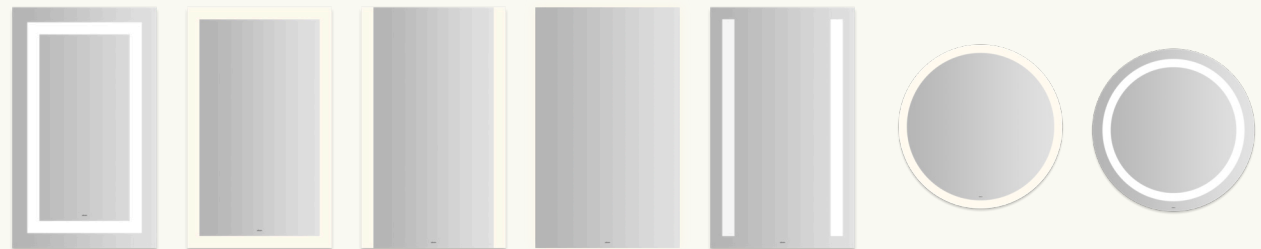

## SCULPT

Gallery-style frame design with custom illumination.

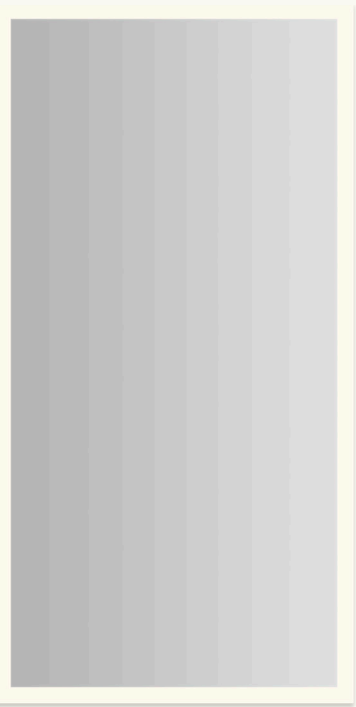

## VITALITY

Offered in varying sizes and lighting designs to accommodate any reflection.

## STATUESQUE

Our grand, customizable mirror for statement-making.

# CUSTOMIZING YOUR LIGHTED MIRROR

Expand the possibilities.

Connect with our custom design team to talk through customizable options for sizing, framing, features, and certifications.

For custom requests, email us at [custom@robern.com](mailto:custom@robern.com)

## SIZES

Custom sizes are available to fit or fill any space.

## COMPLIANCE

Our lighted mirrors are ETL/UL Certified for humid locations.

## DEFOGGER

Defogging technology ensures a clear reflection every time, so a steamy shower won't interfere with your morning. UL Certified.

## NIGHT LIGHT

Soft LED lighting illuminates your essentials and provides wayfinding light in the middle of the night.

## FRAMING

Add dimension and create a stylish focal point with custom framing options in a variety of metal and wood finishes to complement your design.

## ADDITIONAL CUSTOM OPTIONS

- Auto-Activation
- Digital clock
- Shelving
- On-Mirror Controls
- USB Charging

## MEDICINE CABINETS

Our medicine cabinets feature aluminum and glass construction for long-lasting durability, available in lit, unlit, frameless, or framed styles to meet the needs of any project.

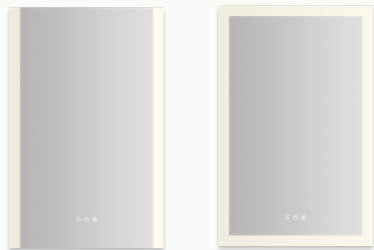

With optional electrical upgrades, organizational accessories, and the ability to group multiple cabinets together, maximize storage within your at-home sanctuary to create a stunning visual impact that offers equal parts beauty and function.

# MEDICINE CABINETS

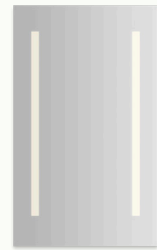

## AIO RESERVE

Our all-in-one lighted cabinet with on-mirror light control.

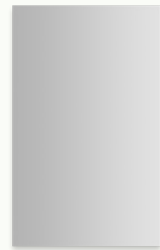

## VITALITY

Modern design with exceptional storage and lighting.

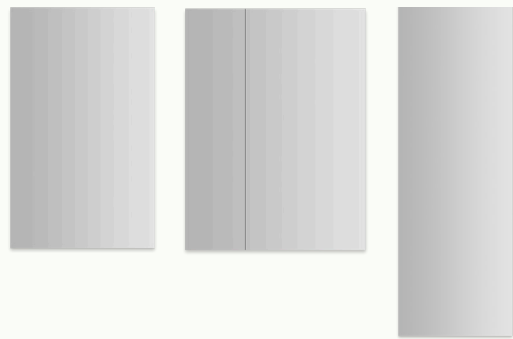

## R³ SERIES

Smart storage, ideal for easy retrofitting.

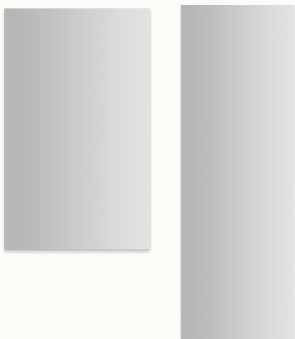

## M SERIES RESERVE

Our most feature-rich frameless collection.

## PL PORTRAY

Thoughtful, customizable interior features.

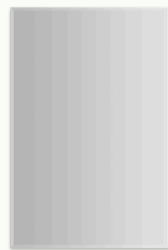

## PROFILES

Slim frame with minimal design and maximum storage.

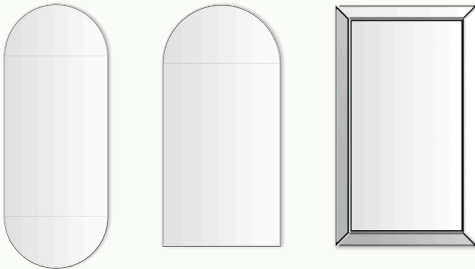

## PL SERIES

Clean, simple, classic design.

## MURRAY HILL

Sophisticated sculptural forms.

## UPLIFT TECH

Our unique, vertical opening cabinet.

## CRAFT SERIES

Inspired design and unique metalwork.

## MAIN LINE

Distinctive framing profiles that blend art with functionality.

## PRESENCE

Frameless cabinet with lighting on one interior door that provides soft glow on one wall when closed.

# CUSTOMIZING YOUR MEDICINE CABINET

## NIGHT LIGHT

Soft LED lighting illuminates your essentials and provides wayfinding light in the middle of the night.

## CAPACITIVE CONTROL

An elegant dimming switch on the mirror provides touch controls for lighted medicine cabinets.

## COMPLIANCE

Our medicine cabinets are ETL/UL Certified for humid locations.

## CUSTOM FRAMING

Add dimension and create a stylish focal point with custom framing options in a variety of metal finishes to complement your design.

## DEFOGGER

Defogging technology ensures a clear reflection, so a steamy shower won't interfere with the morning routine.

## CUSTOM SIZES

Custom sizes are available to fit or fill any space.

## LIGHTING

Streamline your design with the sleek profile and unparalleled versatility of vertical lighting. Our modular lighting solutions are designed to pair seamlessly with Robern medicine cabinets and mirrors, or stand alone as a sconce, with dimming and tuning functionality built-in to meet your preferences.

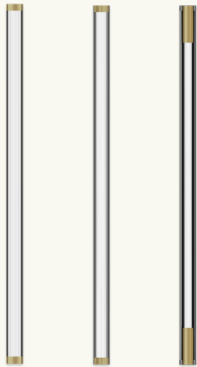

# LIGHTING

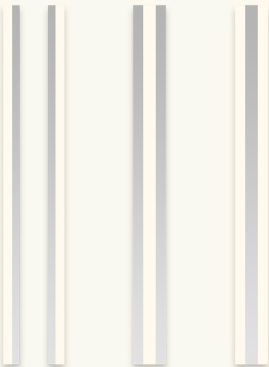

**TENOR** (modular and sconce)  
Three, beautiful sculptural forms that sit proud on the wall.

**PROFILES**  
A touch of drama paired with ideal light.

**VESPER**  
Integrated soft, elegant glow.

**SWAY LIGHT CONTROL**  
Dimming, color tuning, and personalized presets at your fingertips.

**INLINE 2.0** (modular and sconce)  
Mirrored frame with center light to sit perfectly flush.

# CUSTOMIZING YOUR LIGHTING

**FINISH**  
With frames and endcaps offered in multiple finishes, you can color-match your lighting solutions to complement pre-existing hardware.

**SIZE**  
Offered in heights ranging from 30 to 40 inches, select the lighting size that best complements the needs of your space.

**STYLE**  
Choose between a dramatic, modular display, or the subtle elegance of a standalone sconce.

**LIGHT TEMPERATURE**  
Adjust your brightness settings (3000K-5000K) to transition from morning to nighttime routines with ease.

**TUNING**  
Fine-tune the color temperature to reflect the various environments you'll encounter throughout the day.

**DIMMING**  
Flicker-free dimming allows you to select the ideal brightness for any task, from bright light to a soft glow.

## MAGNIFICATION MIRRORS

Bring fine-tuned tasks into perfect focus with up to 10x magnification. Wall-mounted or freestanding, our magnification mirrors are available in an expanded selection of styles, finishes, and lighting options.

## MAGNIFICATION MIRRORS

### STANDARD UNLIT

Bring fine-tuned tasks into perfect focus.

### STANDARD LIT

Shine a light on all your up close and personal moments. Selectable light temperature: 3000K-5000K.

## CUSTOMIZING YOUR MAG MIRRORS

### FINISH

Offered in four finishes to color-match your magnification mirror to complement pre-existing hardware.

### SIZE

Customize your shape, size and mounting style.

### LIGHT TEMPERATURE

Adjust your brightness settings (3000K-5000K) to transition from morning to nighttime routines with ease.

### TUNING

Fine-tune the color temperature to reflect the various environments you'll encounter throughout the day.

### DIMMING

Flicker-free dimming allows you to select the ideal brightness for any task, from bright light to a soft glow.

## VANITIES

Built to fit a myriad of design options, find a storage solution that can meet the needs of modern, transitional, or traditional spaces.

Offered in glass or wood construction, with freestanding installation options, choose the ideal centerpiece for your room that best reflects both your functional needs and personal style.

# CRAFT SERIES VANITIES

Expand your design possibilities with our curated line of expertly crafted vanities. Combining inspired design, the organic beauty of wood construction, and unique metalwork, we’ve created a richly varied collection that complements a wide range of design styles.

\*Custom wood vanity solutions available per request.

**ALISAL**

Contemporary wooden design with industrial, stainless-steel accents.

**BODO**

Raw wood for a warm, textured touch.

**ROSEBROOK**

Hints of Parisian influence for a timeless, elegant design.

**SENDAI**

Magnificent contrasts of metal and wood.

**BERGMAN**

Solid wood base with metal accents for a vintage, Hollywood glamour feel.

**CHESTNUT HILL**

Weathered wood with traditional details.

**SINCA**

Vertical, wooden louvers for a mid-century feel.

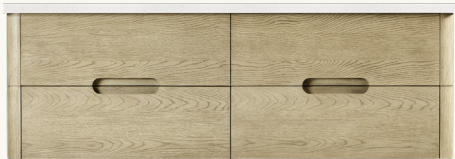

**SKAARSGARD**

Clean simplicity inspired by Scandinavian design.

**HELDEN**

Soft, wooden curves with an airy coastal aesthetic.

**ISLAMORADA**

Statement-making, Art Deco inspired.

**WYNDALE**

Mid-century modern minimalism.

**WILLOWMERE**

Heirloom-feel furniture with solid wood, paneled doors, and stainless-steel finishes.

## CARTESIAN & PROFILES MODULAR VANITIES

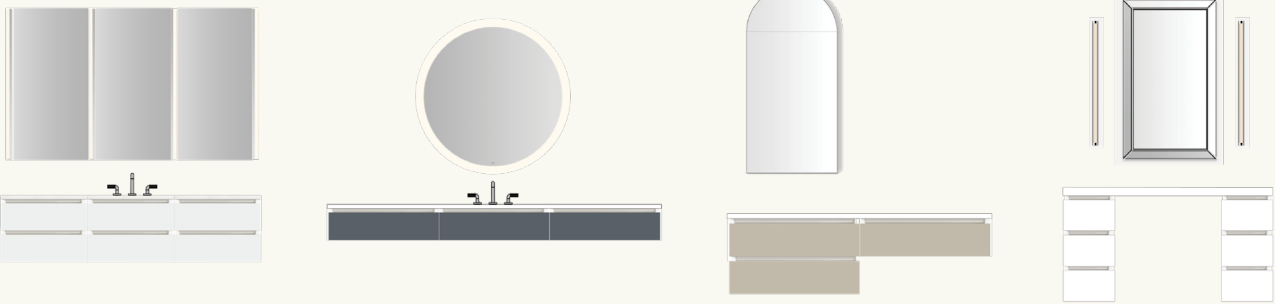

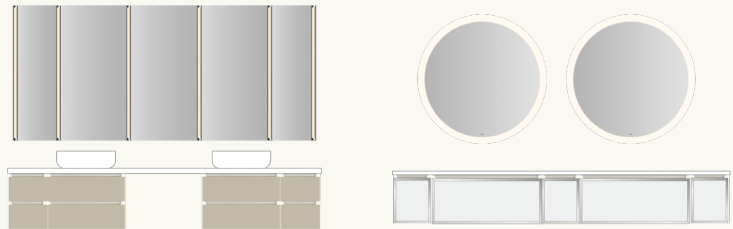

Explore your options with the world’s most accommodating vanities. Offered in two styles, seamless and sleek (Cartesian), and metal-framed (Profiles), create a modern nightstand, add seamless storage in a dressing area, or bring high-tech functionality into your bathroom. Wherever storage is needed, Cartesian and Profiles modular vanities provide the building blocks to create a flexible solution that fits flawlessly into any space.

Personalize your Cartesian or Profiles vanity with functional features designed to make the everyday routine feel effortless, from organizational accessories to in-drawer outlets and built-in night lighting. The modern floating design maximizes spaces and allows for easy cleaning underneath.

## MODULAR CONFIGURATION

Leverage our 3D Visualizer tool to help configure your storage solutions, design your overall space, and imagine it yours; [www.visualizer.robern.com](http://www.visualizer.robern.com)

## INSPIRATIONAL CONFIGURATIONS

Showcase your designs with our AR-powered 3D Visualizer Tool. Place Robern products in your space to see what looks best and where.

## CUSTOMIZING YOUR VANITY

### FINISH

We can offer a variety of colors and finishes to fit the needs of your project from glass to wood to metal.

### SIZE

If your exact size needs cannot be achieved by our standard vanity lines or modular vanity configurations, we can work with you to develop a size that fits perfectly within your space.

### HARDWARE

From pulls to accents to legs, we will help you to design or incorporate hardware that matches the finish and design style of your space.

# SHOWER ENCLOSURES
